

How to Enroll in Mobile Banking

This allows you to use the Signal mobile app, Text Banking, and text alerts.

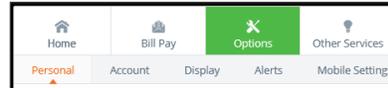

ENROLLMENT

This must be done in eBanking on a desktop or laptop computer.

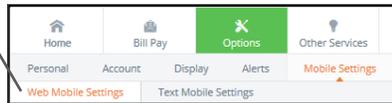

STEP 1: Click on the **Options** tab

STEP 2: Click on **Mobile Settings**

STEP 3: Click on **Web Mobile Settings**

STEP 4: Check to enable web access

Choose **Yes** or **No** for text alerts

Check the boxes for the accounts you want to be able to access from the app or Text Banking.

Type your mobile number

Choose your mobile carrier

STEP 5: Verify that all the information is correct before clicking **Confirm**. Use **Edit** to change any information.

Please note that although Mobile Banking is a free service from Signal, normal data and messaging rates will apply to any messages sent or received on your mobile device.

STEP 6: Check your mobile device for a confirmation text.

STEP 7: You are now set up to use the Signal mobile app, **Connected**, available for free on the App Store and Google Play. Download the app to your mobile device and log in with your eBanking ID and password.

Once Mobile Banking is enabled, you may enroll in Text Banking by going to the Text Mobile Setting page in eBanking. See our Text Banking Quick Guide on signalfinancialfcu.org for instructions.

Once Mobile Banking is enabled, you may set up text alerts using the Alerts page in eBanking. See our Alerts Quick Guide on signalfinancialfcu.org for instructions.

NOTE: Signal Financial will not send unsolicited messages using the information you enter to enroll in Mobile Banking. If you receive a text message you believe is suspicious, please send us a secure message in eBanking or call 301-933-9100, ext. 298.
