MEMBERSHIP APPLICATION

By becoming a member of Washington Area Bicyclist Association (WABA), you also gain the opportunity to open an account at Signal Financial FCU to assist you with better financial options!

Join WABA today and help make bicycling better in the Washington Area. We represent over 4000 area cyclists who see bicycling as a solution for the traffic, health and environmental challenges we face in our community.

Signal Financial FCU is a cooperative, owned and operated by its members. Members put their money in a variety of savings accounts, and that money, in turn, is lent to members. After operating expenses and reserve requirements are met, loan income is returned to all members in the form of dividends and comprehensive financial services. Signal Financial FCU is a federally-chartered credit union, organized under strict regulatory laws that are monitored and enforced by the National Credit Union Administration, an agency of the U.S. Government.

As a Non-Profit organization, the credit union has no select group of shareholders that profits more than anyone else. All members profit -- individually and collectively. At Signal Financial FCU we strive to provide quality and fairly-priced financial services for our membership.
